The screenshot shows a web application interface. At the top is a green navigation bar containing a grid icon, a search bar with the text 'find a user...' and 'Ctrl + /', a shopping cart icon, a bell icon, and a user profile dropdown labeled 'Test User' with a 'TU' icon. Below the navigation bar, the main content area has a large heading 'Welcome Test' on the left. Underneath the heading is a 'Site tree' dropdown menu. To the right of the heading is a large empty rectangular box. Further right is a settings gear icon. Below the settings icon is a dropdown menu titled 'Application Pages' which lists four items: 'Membership Application', 'HPSRC Initial Registration Form', 'HPSRC Re-Registration Form', and 'HPSRC Re-Registration Subject to Confirmation'. At the bottom of the page is a green footer bar with the text 'Powered by Gecco'. Three yellow arrows point from text annotations to specific elements: one from the 'Menu' annotation to the grid icon, one from the 'Profile' annotation to the 'Test User' profile icon, and one from the 'Applications' annotation to the 'Application Pages' dropdown menu.
