The screenshot shows a web application interface. At the top is a green navigation bar containing a grid icon, a search bar with the text 'find a user...' and 'Ctrl + /', a shopping cart icon, a bell icon, and a user profile dropdown labeled 'Test User' with a 'TU' icon. Below the navigation bar, the main content area has a large heading 'Welcome Test' on the left. Underneath the heading is a 'Site tree' dropdown menu. To the right of the heading is a large empty rectangular box. On the far right of the main content area is a settings gear icon. A dropdown menu is open on the right side, titled 'Application Pages', listing four items: 'Membership Application', 'HPSRC Initial Registration Form', 'HPSRC Re-Registration Form', and 'HPSRC Re-Registration Subject to Confirmation'. At the bottom of the page is a green footer bar with the text 'Powered by Gecco'. Three yellow arrows point from external text blocks to specific elements: one to the grid icon, one to the 'Site tree' dropdown, and one to the 'Application Pages' dropdown.
