

# HOSPITAL PLAY SPECIALIST

## AWARENESS WEEK

8-12th March 2021

*Hospital Play Specialists Support Resilience in Tamariki and Rangitahi through Play*

Tamariki and Rangitahi have the opportunity for play to build and support:

- Competence in their health care journey
- Confidence to be heard and express their feelings, needs and wants
- Strong connections with their Health Professionals and Whaanau
- Coping strategies to be able to deal effectively with something difficult
